OUR STORY

The Alex Morgan Foundation launched in March 2023 with eyes set on a more equitable and empowered future. To get there, we invest in meaningful programs and create unique opportunities to help girls and women find their confident path forward in sport and in life.

Creating equity and opportunity on the field and off.

MILESTONE MOMENTS

3/21/2023 LAUNCH DAY

The day we set our eyes on a more equitable and empowered future. We shared our mission with teens, moms, and community leaders in San Diego's South Bay region and celebrated March 21 as the Alex Morgan Foundation Day, as declared by the County of San Diego.

5/8/2023 MOTHER'S DAY

This Mother's Day we gave our first cash grant of \$20,000 to Casa Familiar's Promotora program, supporting the moms of San Ysidro who do critical community outreach. We also teamed up with Nike to give 45 Essentials Kits to new moms at Rady Children's Hospital and San Ysidro Health Center.

10/3/2023 VISIT TO RADY CHILDREN'S HOSPITAL

Alex and the foundation visited with kids, families, and staff at Rady Children's Hospital to learn more about the incredible programs at Rady Children's and how the foundation can help support families during critical times.

10/19/2023 USD VS CAL WOMEN'S GAME & PLAYER PANEL

We welcomed 25 middle- and high-school soccer players from Let's Go South Bay! and the Sweetwater Union High School District to attend a USD vs CAL women's soccer game, followed by a post-game panel where the players talked teamwork and resilience on and off the field.

11/11/2023 NIKE FC SOCCER CLINIC

We invited 120 girls to a Nike FC soccer clinic, where they received instruction from an all-women's coaching staff, a custom sports bra fitting, and new gear to take home. After the clinic, the girls visited Snapdragon stadium for on-field warm-ups, watched the NWSL Championship game, and enjoyed a surprise visit with Alex.

CELEBRATION OF CONFIDENCE

10/11/2023

Storytelling, connection, and community were at the heart of our first-ever Celebration of Confidence. This unforgettable evening highlighted the powerful programs we support, the community impact of our first seven months, and the empowered future we're creating together.

IMPACT INITIATIVES

Casa Familiar – Promotoras

Casa Familiar’s Promotora program consists of a dedicated group of women, mostly moms, who serve as community advocates across the border community of San Ysidro. The Alex Morgan Foundation supported the Promotoras through grant funding to further their impact in the community.

Let’s Go South Bay!

We know the powerful effect soccer can have on girls, and Let’s Go South Bay! ensures more have that opportunity. We funded their first-ever Soccer Empowerment Camp, helping 53 girls enhance their soccer skills and learn about teamwork, confidence, and mental health.

Rady Children’s Hospital

Rady Children’s Hospital has been a leading voice in children’s health since their start in 1954. We launched a partnership to help fund the comprehensive care of children and their families at Rady Children’s and, together, raise the next generation of healthy, confident kids.

Girl Effect

We know the playing field isn’t always equal, especially for girls. Girl Effect leverages media and tech to unlock the power and potential of girls everywhere. Together, we launched “In the Field,” amplifying the voices of young female changemakers around the world.

TranscendANCE

Confidence through creativity. TranscendANCE is a nationally-recognized organization that works with youth in San Diego’s under-resourced communities to foster self-expression through the arts. This year, we covered the costs to install a new dance floor at their second facility.

ALEX'S HOMEBREAK

At every home game for the San Diego Wave, a pink banner that reads 'Alex's Homebreak' proudly marks the section where youth girls' soccer teams attend games and find inspiration to make waves of their own. This year we hosted 13 teams across San Diego County and contributed funds toward supplies and transportation to help keep girls playing.

LEADER OF THE YEAR

Every year, we ask Homebreak coaches across San Diego to nominate the student athletes that blaze their own trail as teammates and leaders on the field and in the community.
